Hannah

\$5.95

Hannah and Caleb are young newlyweds on the plains of Texas in the late nineteenth century. Theyâ€™ve staked their claim and have built a new home and a new life as cattle ranchers. But a cloud of dust in the distance rides towards their cabin and changes Hannahâ€™s life forever. Caleb is shot and Hannah is abused and raped by a gang of rustlers.

Left for dead, Hannah recovers and sets off to exact revenge. Join Hannah on her determined quest through the bordellos, churches, and shanty courts of the old west as she makes her own justice â€™ and finds a new love along the way.
